1. Complete the appropriate application for the desired product. If any errors are made, please draw a single line through the error, provide the correct information, and place your initials above the correction. **PLEASE DO NOT** use any form of correction fluid.
 - A. The owner, annuitant, and beneficiary(ies) must be the same on the old and new Qualified Plan.
 - B. Indicate what type of existing Qualified Plan is being transferred, (i.e. IRA / IRA Rollover, SEP, etc.)
2. Read the authorization to Transfer Funds carefully and complete all sections.
3. Contact your current account company to determine if they will require a signature guarantee to process your request. If so, they can instruct you where to get the guarantee. Generally they are available at banks and brokerage firms. Not providing it may delay the transfer process.
4. Submit the appropriate replacement forms if required by your state for life or annuity transfers.
5. Submit the original contract being exchanged. If the policy has been lost or destroyed, initial the space in the "Attach Original Contract" section on the front of this form.
